*Because I could not stop for Death,
He kindly stopped for me;
The carriage held but just ourselves
And Immortality.*

*We slowly drove, he knew no haste,
And I had put away
My labor, and my leisure too,
for his civility.*

*We passed the school where children played,
Their lessons scarcely done;
We passed the fields of grazing grain,
We passed the setting sun.*

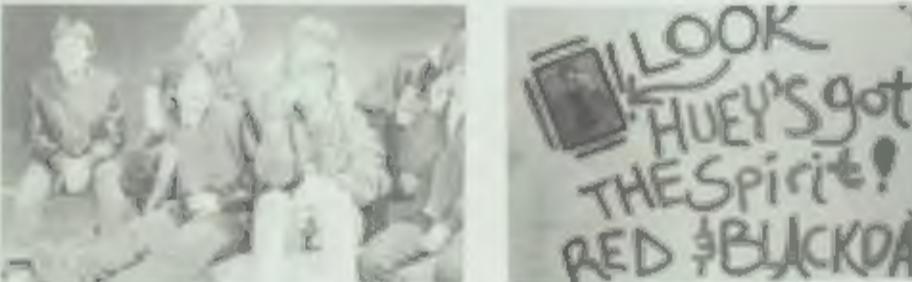

*We paused before a house that seemed
A swelling on the ground;
The roof was scarcely visible,
The cornice but a mound.*

*Since then 'tis centuries; but each
Feels shorter than the day
I first surmised the lures' heads
Were toward eternity.*

Our Wings Carry the Spirit!

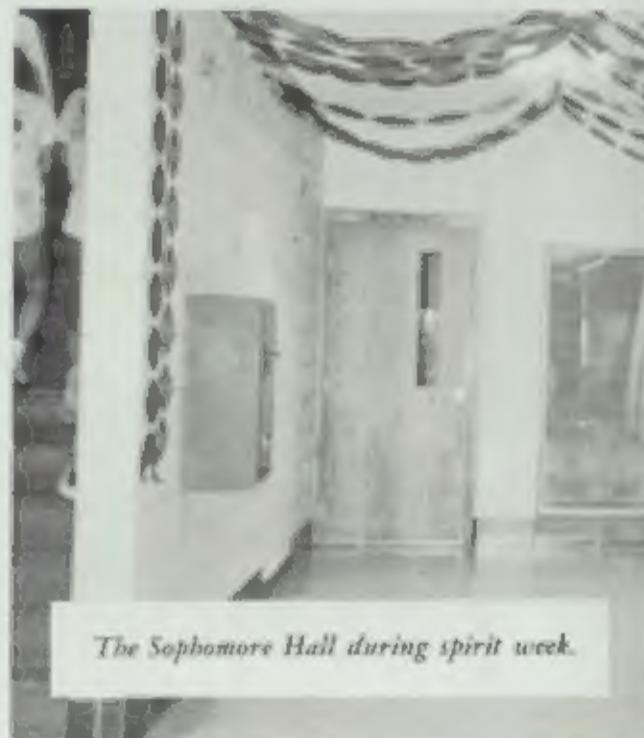

Shannon Johnson at his best!

Happy 17, Peggy Lee!

Is this the real you, Mr. Russell?

The Sophomore Hall during spirit week.

"Look out when we become Seniors," say some enthusiastic Freshmen.

Caught in the act again, Lisa Hedges?

"Want some Popcorn?" offers Perry Rice. "I made it," comments Tim Vierling.

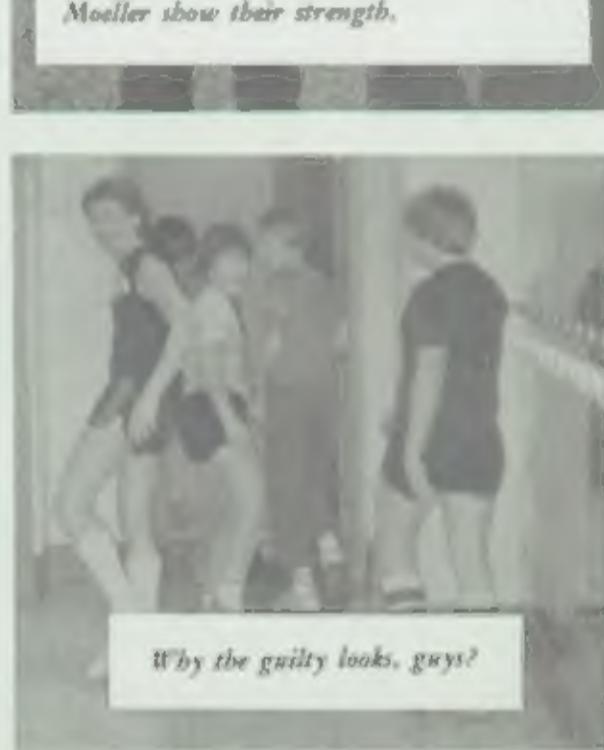

Senior Quiz Bowl Champions.

School buddies Wade Stiesken and Jim Moeller show their strength.

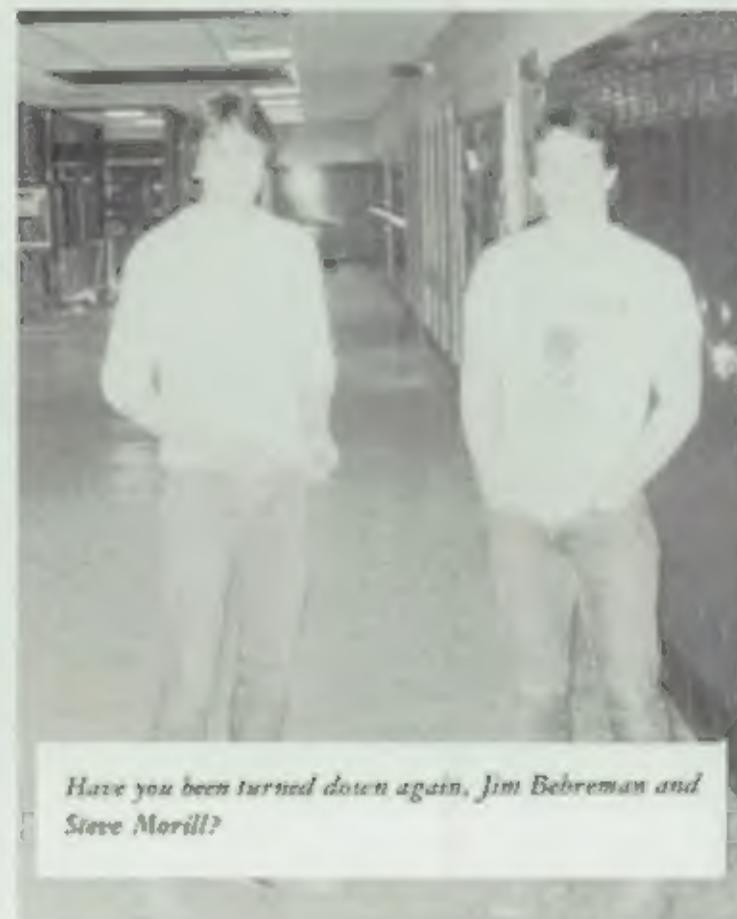

What's Todd Herndon backed off from?

Why the guilty looks, guys?

Posing for the camera, Mr. Erlenbaugh shows his power.

Have you been turned down again, Jim Bebremann and Steve Morill?

Sean Champion, Jodi Barry and Kristy Hall enjoy a picnic at their lockers.

Our Wings Soar

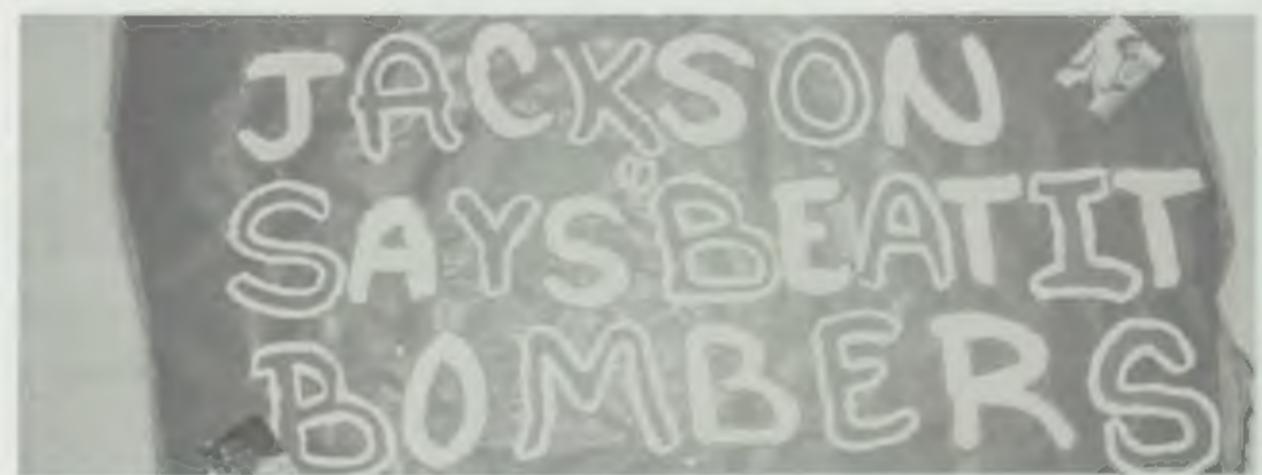

Only five days of the year were we known to do those crazy things. Our spirit week has been a tradition for as long as anyone can remember. We have five different days where we dress according to our chosen themes. The 1984 themes were Monday, punkday; Tuesday, favorite color day; Wednesday, dress up day; Thursday, nerd day and Friday was our red and black day.

Some of the decorations in the hall stood out just as much as the students themselves. For instance, Michael Jackson played a part in it telling the Bombers, "Beat it, this is Eagle Territory!"

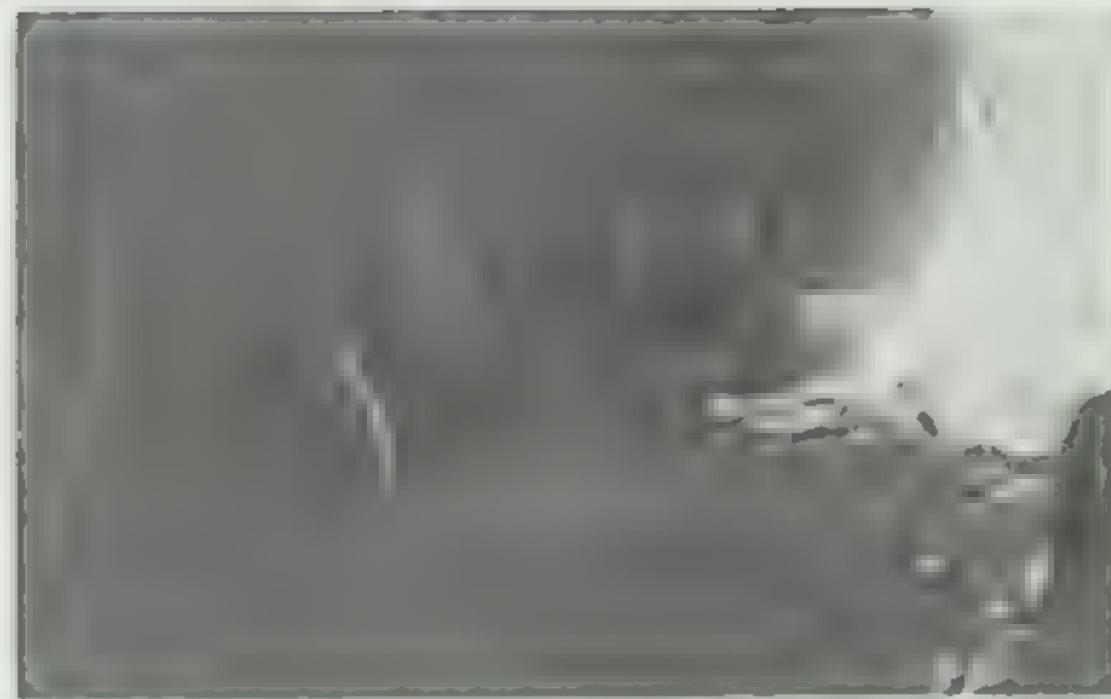

By the end of the week we were all winding down to the main event—our pep session. The many students and teachers giving our team the go-go, get'em, get'em spirit to charge will be deeply remembered.

Eagle Soars

The eagles soar out of the nest at our 1984-85 Homecoming. Each day of homecoming week was spent preparing floats from every class as well as faculty and elementary. The student body showed their true Spirit and personality by dressing up and having a good time.

As the evening started, the parade began marching through town with the marching Eagle band led by Jani Farrell.

The players waiting so anxiously for the game to start put on their war paint and were ready to charge toward the Bombers right through the thick misty fog. Even though we weren't successful in running, the eager eagles fought and played a hard game. By the end of the evening we were all ready to relax at our dance which everyone enjoyed together.

The team huddle listens to Mr. Dilbone as he calls the play.

Here's a crash landing—believe it or not.

Standing on the stage is Mr. Dilbone and Phil Westerman.

JUNIORS

Junior class officers: Kelli Wilder, Dan Bobilya, Tim Highland, and Paula Didrick

The Junior class officers for 1984-1985 were President, Dan Bobilya; Vice President, Tim Highland; Secretary, Kelli Wilder; and Treasurer, Paula Didrick

The Junior class was involved in many entertaining projects, as well as educational events. They sponsored a dance, provided the Halloween Carnival, built a Homecoming float, and received second place in the 84-85 Quiz Bowl of Fremont High School. The class also did a marvelous job on the decorations and planning for the prom of 1985.

The Juniors have faithfully carried the Fremont SPIRIT on their wings as they Soar onward to their Senior year.

The countdown begins as the Junior class awaits the final day that they will become the 85-86 Seniors of Fremont High School.

Sophomores

The Sophomore class of 1984-1985 was busy with their various responsibilities this year. The class participated in the 84-85 Quiz Bowl of Fremont High School, built a float for Homecoming, and sponsored a dance with Alan Hansbarger.

They are gradually working their way up to the top. The Sophomores' WINGS are full of SPIRIT as they continue to soar through their high school experiences.

Freshmen

The Class of '88 began their high school career with a burst of enthusiasm. Nearly everyone pitched in to construct the football Homecoming float. A dance organized and sponsored by the freshmen class was a big success, both in money raised and enjoyment. During Winter Homecoming freshmen spirit was obvious in the post-

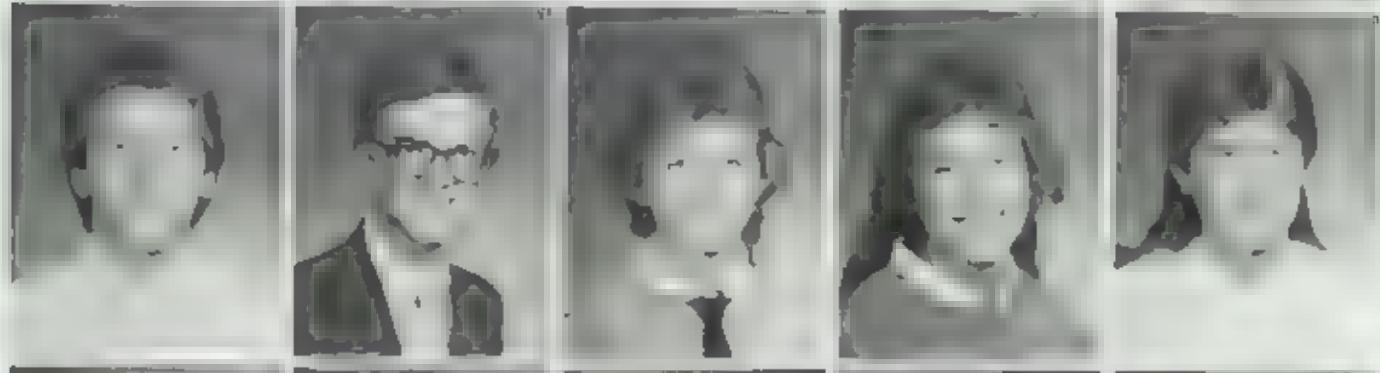

ers and decorations in the hallways. As they move on to their sophomore year, the Class of '88 can be proud of the accomplishments made in their first year of high school.

This year's class officers were Johnny Bradley, vice president; Gina Bortz, secretary; Chris Verity, treasurer; and Steve Christlieb, president.

Gram, Joyce, and Jim unravel the mystery

The 1984 annual Fall Play was "Grandma's Best Years." When Grandma Simms comes to visit her daughter's family, she finds out there are some horrible changes occurring. Mrs Abbott is scheming to marry one daughter into a rich family, while another daughter is about to be shipped off to a snooty boarding school. Son Willie is forced to practice his violin, instead of practicing baseball with his friend. Grandma (accidentally) engages the help of a crook, Cousin Oscar, & boyfriend Jim to turn the family back to normal.

Try-outs were October 4, and the first rehearsal was held October 8th. The cast practiced many hours until the long anticipated wait came for their first performance on November 9th to the student body. It was given that same evening to the public.

"Grandma's Best Years" was a dramatic WING to carry the Fremont SPIRIT

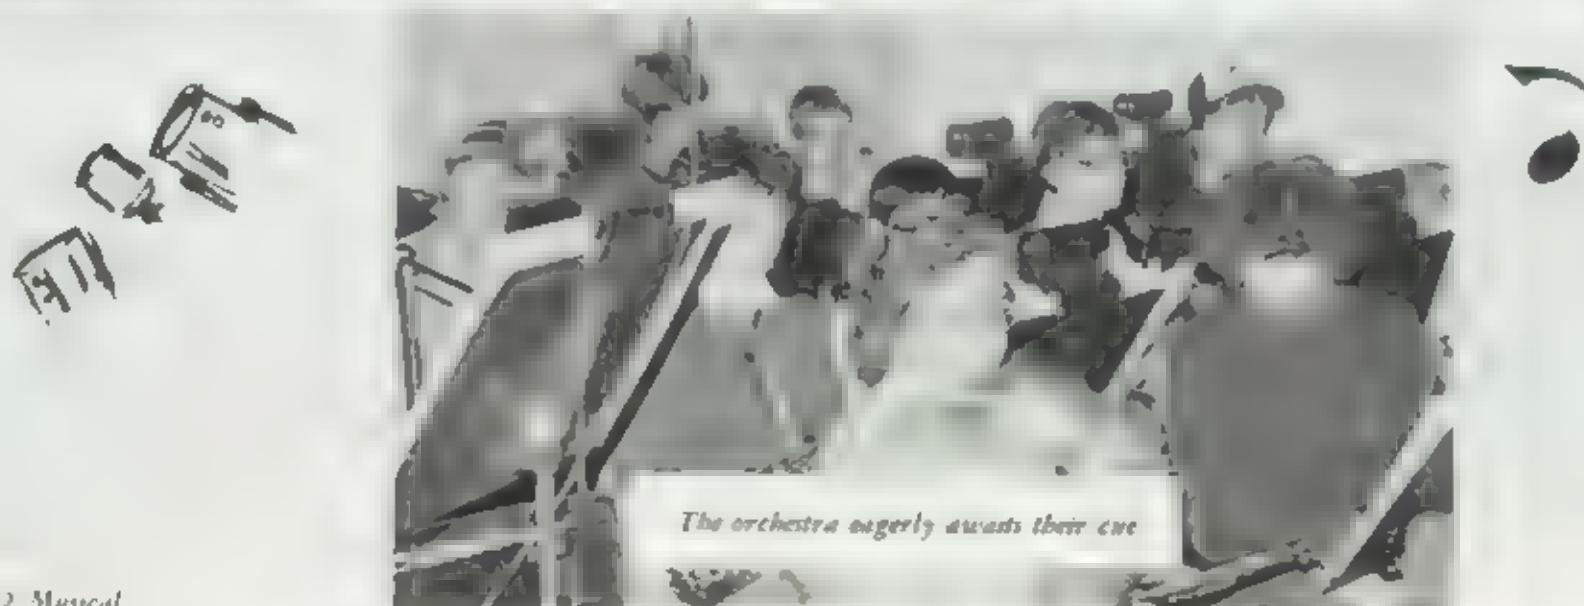

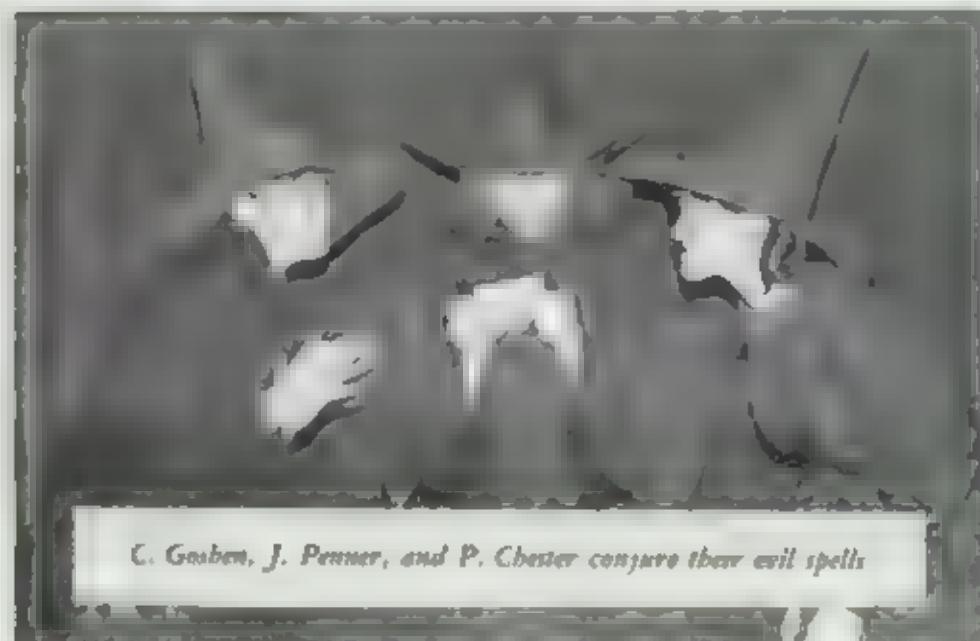

Musical Spirit

What's in the land of Oz? That's what the cast and crew discovered as they presented "The Wizard of Oz." Lisa Hedges starred as Dorothy; Brad Noyes portrayed the scatter-brained scarecrow. The half-hearted Tinman was given life by Jeff Scheumann, and the Cowardly Lion was played by Megan Tearney.

Special recognition goes to Mr. Samuel, Mr. Parente, Mr. Summers, and Mr. Griffis for their fine direction and helpful guidance.

The major obstacles to over-come were conflicts with other activities. The cast and crew spent 2 1/2 long months preparing for their opening night. When asked about the production, Mr. Samuel commented, "It was very successful. I'm very proud of all who contributed."

Sunshine Spirit

This year 36 seniors went for a 7-day Florida vacation from Saturday, March 30 to Friday, April 5. The first day of the trip was spent on a 23-24 hour busride. They arrived in Orlando at 9:00 a.m. and checked into their hotel. During the day, they went to Wet-n-Wild and had free time.

Monday, April 1, they all went to Disney's Epcot Center.

Tuesday, April 2, they went to Sea World for four hours. Here they saw Shamu the Killer whale. Later in the day, they were at St. Petersburg Beach soaking up the sun and swimming in the Atlantic.

Wednesday, April 3, they stayed at the beach during the day. Then it was back to the hotel to change for dinner at the Country Dinner Playhouse. The seniors had the distinct pleasure of seeing "Don Quixote" performed on the stage.

Thursday, April 4, they were once again at the beach.

Pack-up time came much too soon as the seniors were forced to say "Good-bye" to Florida sunshine, and "Hello" to Fremont Spirit.

Library . . . Our WINGS of Knowledge

The 1984-85 school year was a year of many changes in our library. Due to the illness of past librarian Mr. Richard Raftord, it seemed as though the library would remain closed in the morning. However, Mrs. Stafford made it possible for the students to have access to this vital facility.

Twenty volumes of the SIRS series were added this year to help our students in needed research topics, such as: Alcohol, Death, Drugs, Dying, Family, and Mental Health.

Our library aides had the pleasure of working with Mrs. Shuttis in the afternoon doing various jobs in the library. They stamp books, put cards back in returned books, file books on shelves, obtain

magazines for students from the magazine room, deliver audio visual equipment to rooms where it's needed, help students find materials, and keep the library organized.

The aides work only during the hour they have been assigned. We asked Mrs. Shuttis if she enjoyed teaching and helping the aides, and she replied, "Yes, and lots of the time I'm learning along with them, too."

Mrs. Stafford's aide during second hour is Marion Gullick. She has proven to be dependable in her added responsibility of delivering films to teachers. The afternoon aides were Don Trine, Steve Christlieb, Mary Wyatt and Chris Balish. They all made the library run smoothly.

Business Office Education prepares students for the highly competitive business world. During this one or two hour block of time, students are placed in a simulated office environment. As you enter the classroom, you are greeted by the receptionist who is busy on his or her assigned task. Other students within the complex are given office titles for a more realistic setting.

These students also assist students and faculty who need help on the computers. This particular group of students completed many printed programs and booklets for both school and community activities.

Thanks for carrying Eagle SPIRIT with your business WINGS!

This year our F.H.A. or Future Homemakers of America consisted of 25 members. They elected the following ladies for their officers; President, Rhonda Fisher; Vice President, Lori Clouse; Secretary, Tammy Gannon; Treasurer, Marnie Ellis.

Their money making project was selling cookbooks. They sponsored the Christmas Prom and also a family at Easter by donating groceries.

The Senior members were honored with a dinner at the Heritage House in Fort Wayne. After the meal a shopping trip to Glenbrook provided an opportunity for some fun and relaxation.

Canteen

Perhaps the most popular place in the school, besides the doors at 3:00 p.m., is the Canteen with all its munchies and goodies. Due to state regulations the Canteen was open only three days a week this year—Monday, Wednesday, and Friday. Canteen workers put in many hours during lunch time and sporting events. After all, what's a game without popcorn and snickers!

Art Club

The artistic wings of Fremont High School can be seen hovering around Room 113. These students have previously or are currently enrolled in an upper level art class. They help create the needed stage sets for dramatic productions and also help tear the sets down after the final curtain call. They are often called upon for various poster designs and Eagle SPIRIT banners. The 1984-85 art club once again held their annual Valentine's Day carnation sale.

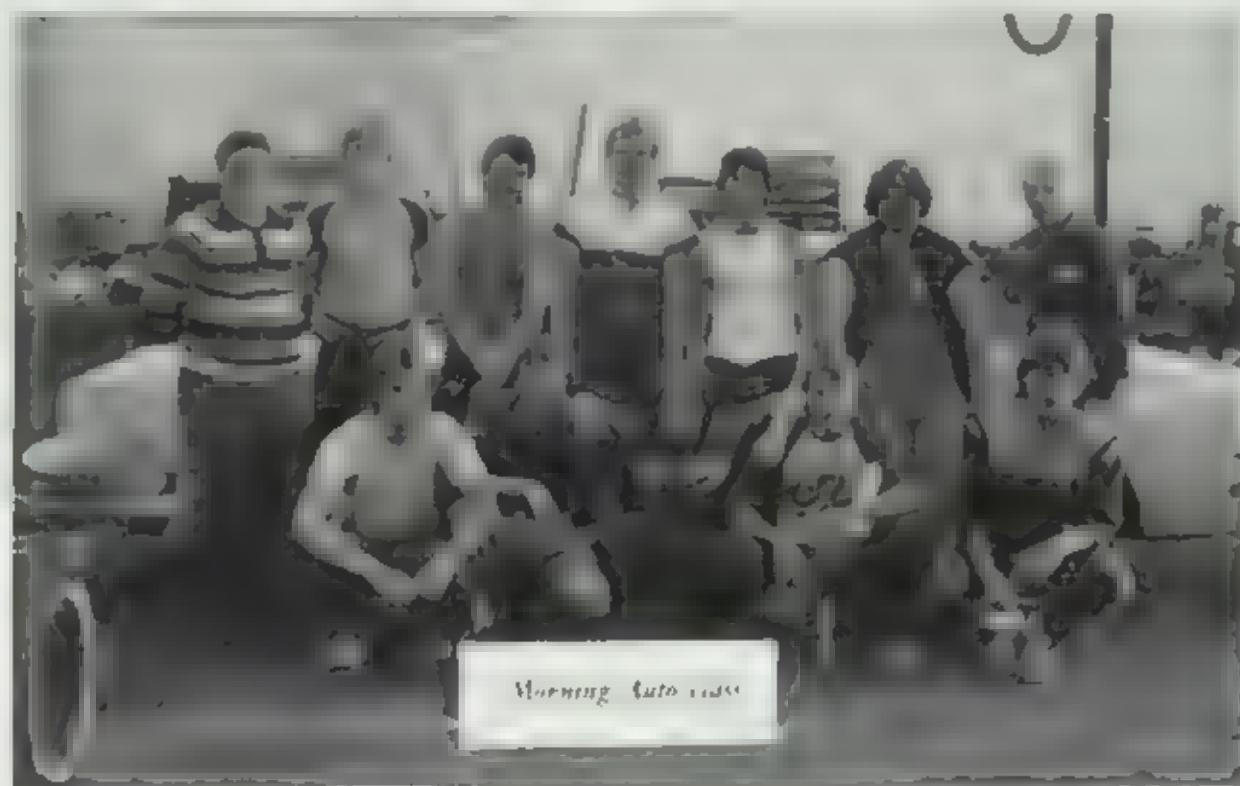

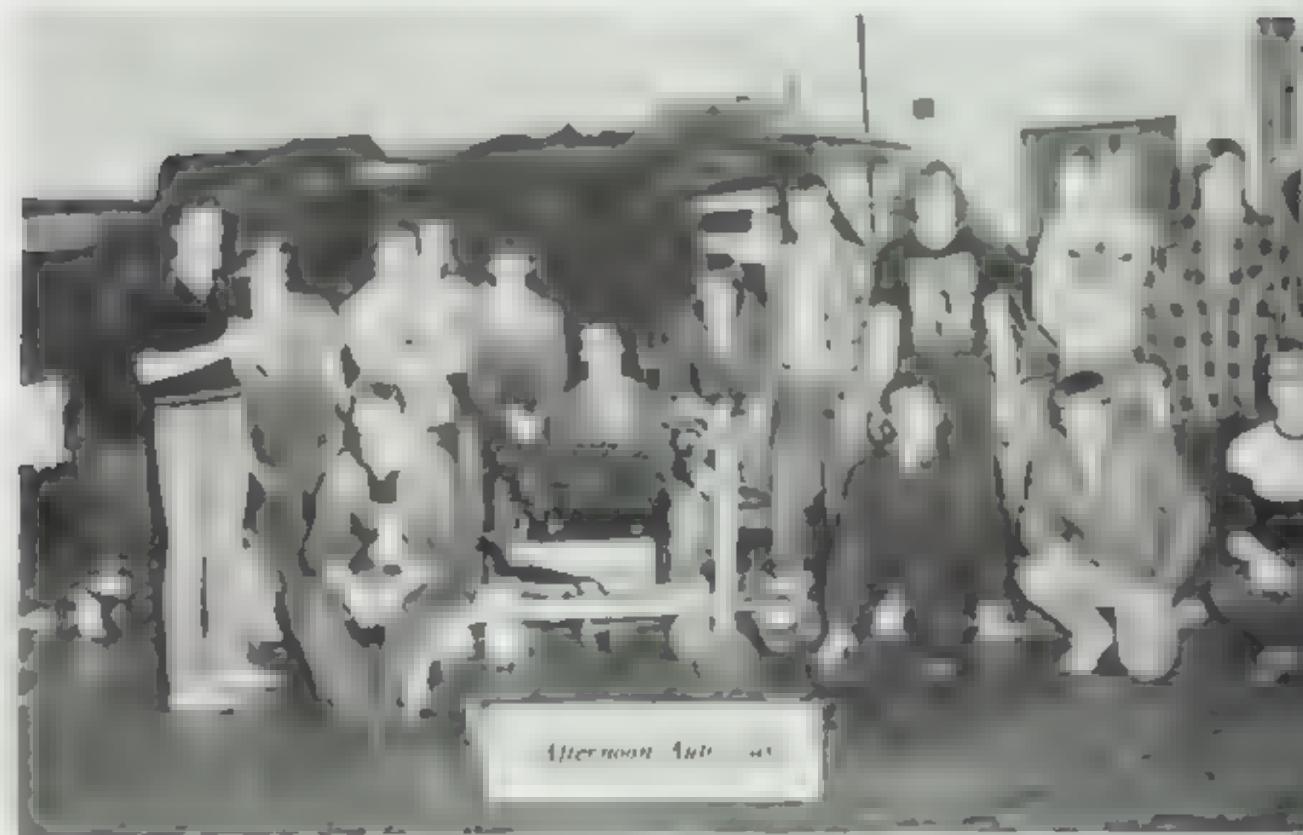

Thanks for your art SPIRIT carried on your talented WINGS!

Auto

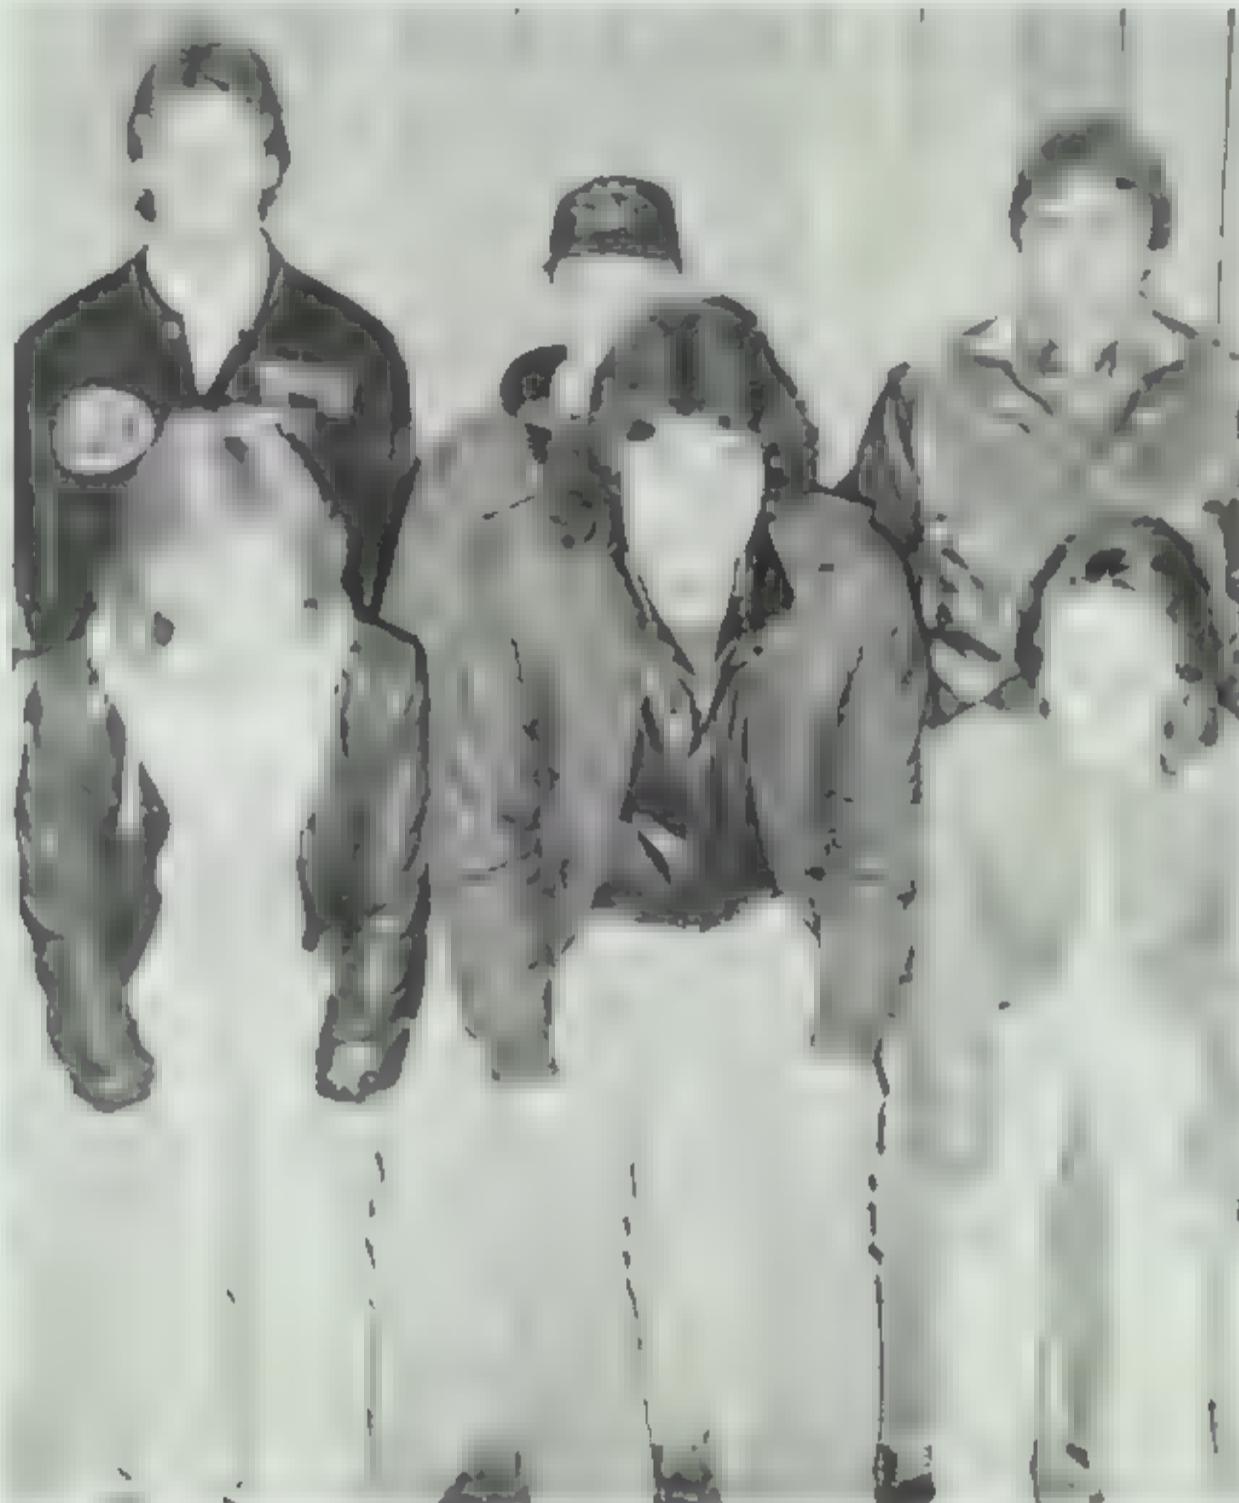

You can trust your car to these young mechanics. Building, tearing apart, and rebuilding are all in a day's work for the auto classes taught by Mr. Ken Jouser. This practical, hands-on experience results in more than just greasy hands and clothes. The skills learned in the provided block of time are those that will be used for a lifetime.

and Trades

The year long project for Building and Trades was a house two miles from Fremont on Ray Clear Lake Road. Morning builders were S. Champion, M. Carpenter, K. Kidd, L. Laisure, J. Ressler, B. Ross and J. Smith. Afternoon contractors were B. Howe, R. Josey, S. Overbay, D. Robinson, G. Scott and T. Vierling.

Career Center

Six students participated in the Coldwater Branch County Career Center. Their specific areas were cosmetology, electricity, welding, and engineering. They left FHS at 7:30 a.m. and returned for afternoon classes. Students must be in their junior or senior year with enough blocked time in their schedule to qualify for this special training opportunity.

They were instructed by Mr. Jim Ingledue. These students are now experienced in framing, dry wall, insulating, staining, and painting.

Other projects included building new bleachers and a storage shed for the school. They also put ceilings in the Vista Park restrooms.

Student Council

Student Council members were kept busy this year hosting Homecomings and Dances. These students are representatives elected annually by classmates to serve their class in making final decisions about current issues.

Student Council is one more feather in our Eagle WING.

Campus Life

Campus Life is an interdenominational organization sponsored by Youth for Christ. We are quite fortunate to be able to offer this unique ministry at Fremont High School.

Campus Life consists of high school students grades 9-12. They meet in students homes every Wednesday night. Campus Life offers a variety of activities such as: Florida trips, lock-ins, burger bashes, Great American trips, and many social gatherings. It is a great time of fellowship with "real" discussions. Campus Life helps students maintain a close relationship with God.

Campus Life is the Spiritual WING at FHS.

French Club

The 1984-85 French Club

This year the students in French Club had the pleasure of seeing a play in Fort Wayne with Mrs. Blaz called "The Three Musketeers." They also gave the rest of the school a taste of French Cuisine by having their annual International Day. They sold fruit rolled crepes and chocolate mousse.

Just the French Club members alone had the joy of fixing an entire meal at Madame Blaz's home.

The club members made and posted signs around our school revealing to us the different places so we could all learn the new names.

Spanish Club

Buenos Dias

*The Spanish Club, sponsored by Mr. Russell, took an educational trip to Snyder High School to see *Las aventuras de Don Quijote*. The play was performed in both Spanish and English. After the play, the club traveled to Bandidos. To keep the Spanish atmosphere alive, most of the members ordered a Spanish dish. The club kept the Spanish spirit alive during the trip and throughout the year.*

Cheerleaders: Our Wings of Spirit

This year our cheerleaders have had a pretty busy schedule. They spent many hours yelling at games, planning pep sessions, going to practices, working at concession stands, and baking goodies for their bake sales.

We are going to miss our Senior Spirit makers: Debbie Byall, Lisa Hedges, Evi Love, Becky Hardiek, and Stacy Mitchell. These girls, along with the others, really gave our teams the WINGS necessary to keep the Fremont SPIRIT vibrating from fields to courts.

This year the band increased in size considerably. By the end of 1985 they numbered 86 band members and 15 flag show-corps. The Music Boosters sponsored a slave auction, car wash, bake sale, rummage sale, plus the annual cheese & sausage sale to purchase new uniforms for the Marching Eagles.

The choir did a superb job this year, as did the band, at the Christmas Concert and Spring Arts Concert. The 1985 choir consisted of 42 members. Both band and choir members were given the opportunity to participate in solo and ensemble contests.

The band and choir are the musical WINGS for the Fremont SPIRIT

To be a member of the National Honor Society, you must be a Junior or Senior with a 3.0 grade point average (B or better). A committee of teachers and administrators evaluate the students according to the National Honor Society's requirements. During induction, the prospective members pledge to uphold the high purpose of the National Honor Society. They are to maintain and encourage high standards of scholarship, service, leadership, and character.

"The team's balance was good and always had the boys battling it out for the remaining varsity spots," explained coach Marvin Retcher. This balance was supported by seniors Dan Gregg and Mike Hostetler, and freshmen John Bradley, who came within 25 seconds of the school record. The season record was 4-8.

The team's practices were challenging because the runner had to race completely around Country Meadows Golf Course. This course is mostly hills! When the runner does race there are flags indicating the proper direction so he cannot take any short cuts. The runner is being timed while trying to break his personal record.

The team provides the wings to soar across the finish line, while the fans carry the spirit to cheer them on.

John Bradley and Mike McBride try to relax after an exhausting run.

Freshmen John Bradley strides to the win.

VARSITY FOOTBALL

Head Coach Jim Dilbone stated, "For every man we lose each year who we think is irreplaceable because he is a super ball player, a younger athlete grows and matures to take the place of the irreplaceable."

The Varsity Football team had a good season with a record of 5-5, even though they lost 13 players from the year before.

Most of the other schools that Fremont played outweighed and outnumbered us, but we were never outhustled and our team worked well together. Team-work and self-confidence are two major reasons for the team's success. Playing larger schools will make a team strive to be better and make them even more determined to win.

The fans help keep the team's moral high, especially when the going gets rough. The fans carry the SPIRIT as the team players provide the WINGS to make the football fly.

Coach Joy Kent expressed, "1984 Varsity Volleyball team worked fairly well together." She commented, "The one ingredient that was missing was someone to take full leadership."

Coach Kent thought the Varsity team played to the best of their ability, even though their record was 6-11. Coach Kent stated, "Any time the Fremont team wins 500 or more games they have had a very successful year."

Being one of the smallest teams in the conference makes it very difficult to compete.

Coach Kent has very high hopes next year since the J.V. record will carry the spirit forward.

The JV Volleyball team had a good season with an overall record of 13-2, and an NECC record of 9-0. They were also the Steuben County Tournament Champions.

Coach Van Westen expressed, "The size of the school doesn't matter. It's how well you prepare and how your team plays."

The Freshmen and Junior Varsity boys basketball teams had a good season with the Freshmen having a record of 2-9, and the Junior Varsity having a record of 4-15. Marvin Retcher coached the Freshmen team and Roger Probst coached the Junior Varsity team.

Coach Retcher stated, "Playing against larger schools for Fremont is nothing new, we face that dilemma in every sport." Coach Probst expressed, "The team improved drastically over the course of the season. You only get better by playing teams that are better than you." Coach Jim Spier stated, "The attitude of the team showed hearty through our team play." There were many Lady Eagles who played very well and quite hard. Some were Lisa Smith, Kelli Weimer, Lori Johnson, Val Goshorn, Candi Keller, and Mary Fitzpatrick. They ended the season with a 2-10 record. "Most of our opponents are larger schools, but they still can only play 3 at a time. That can be a great equalizer," says Coach Spier.

Varsity Golf

The Varsity Golf team of 1985 had an outstanding year. For the first time in six years the team brought home the NECC trophy. They ended their undefeated season with a record of 7-0. This is particularly exciting since the team members are all underclassmen.

Coach Ken Wertz stated, "I felt the kids accomplished goals this year that we were thinking would happen two years down the road." He noted that winning eight consecutive dual meets, and having Don Trine score as low medalist eight straight times were two special highlights of the season.

"The Cupid Computer" rated center stage in the Fremont auditorium as the seventh and eighth grade classes performed their annual play. Complete with input and output facilities, this complex computer was to match the perfect dates during a Fremont/Hamilton mixer. Well, as one may guess, not all events were a part of the well-designed plan. Little brothers can often cause disastrous results!

However, the Cupid Computer did succeed in making everyone happy—even the prudish chaperon

Jr. High Volleyball

Seventh Grade

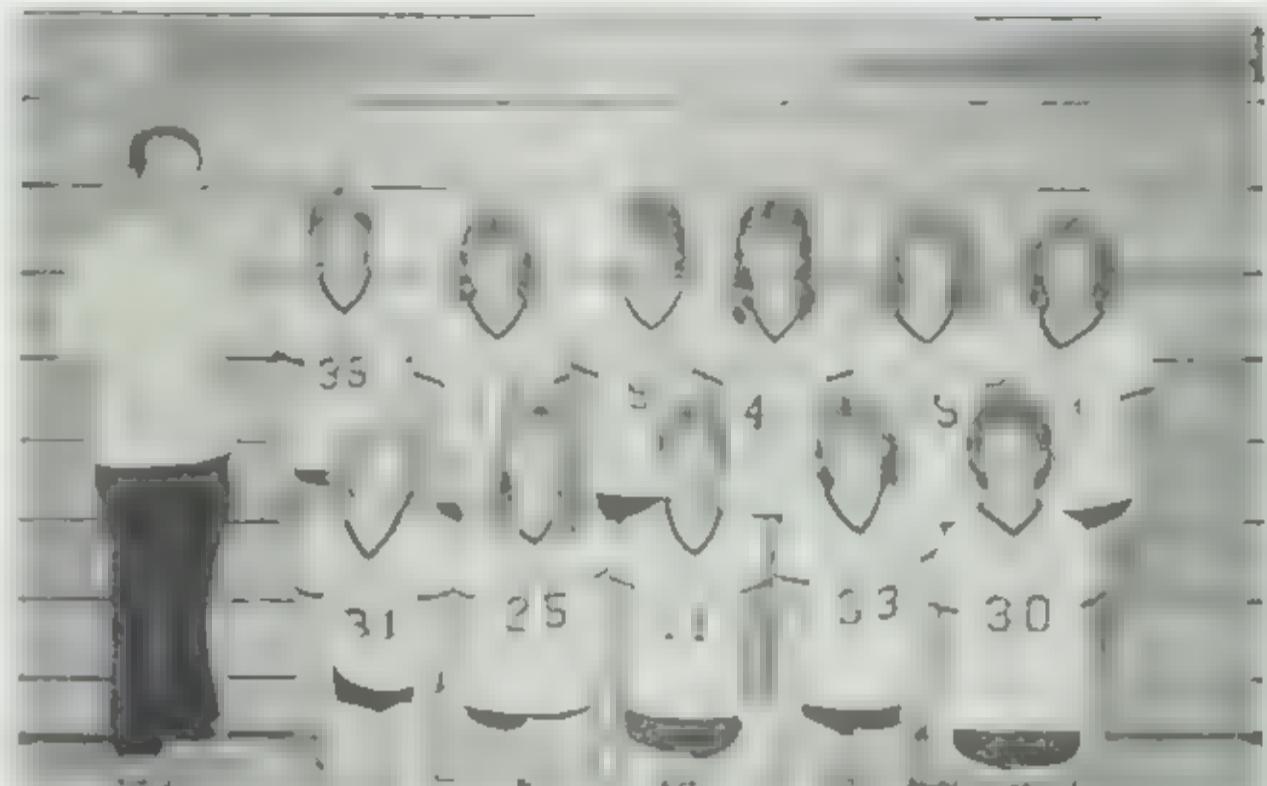

"The girls placed high because they were willing and brave enough to try difficult maneuvers, even under pressure," explained coach Tom Russell. "Winning was not the main idea, and it took a lot of unnecessary pressure off of the team."

When the team practiced, they worked effectively together. The girls always included all of the teammates, instead of bogging the ball.

Spirits were always much higher when they played to do their best.

The 7th grade volleyball team was the first placed team in the N.E.C.C. The girls ended the season with a record of 12-2.

The team kept the WINGS flying, while the fans kept the SPIRIT high.

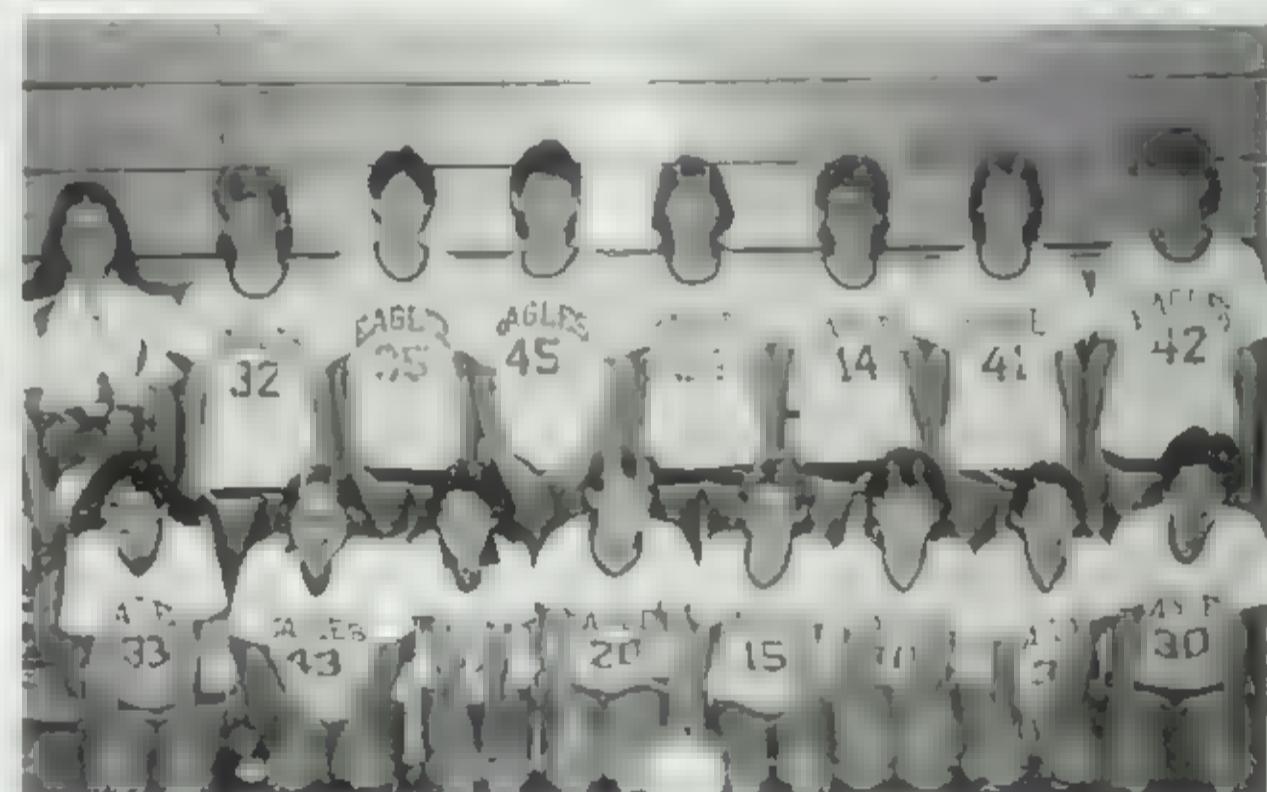

First row: L. Smith, K. Wohl, K. Fisher, C. Neubauer, K. Fisher. Second row: Coach T. Russell, C. Brown, M. Pinnell, K. Lassure, N. Stasler, T. Barry, D. Tribble

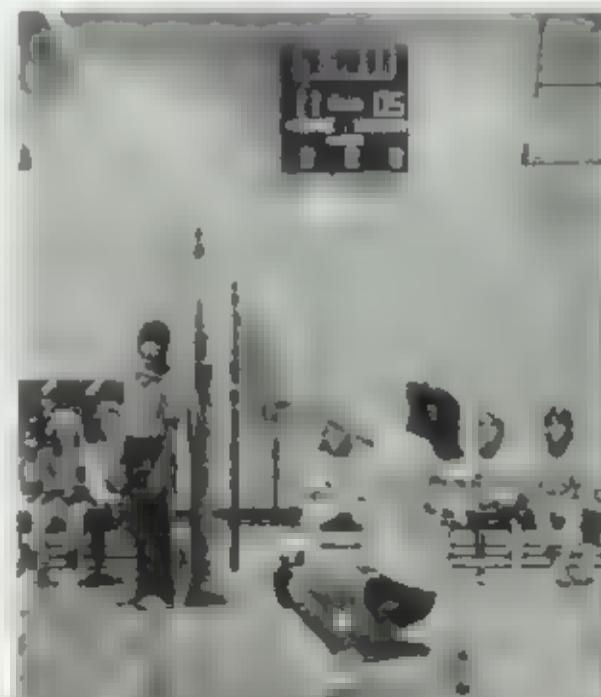

Eighth Grade

The 1984 eighth grade volleyball team bumped their way to a winning season of 10-6. "Our strongest competition was a spiking Prairie Heights team that we encountered," according to Coach Cindy Wilson. The season practices were aimed to develop and perfect many individual skills such as: bumping, overhand serving, and finally the spike and roll. "I observed the most united team work during NECC week," stated Coach Wilson. She noted that the Lady Eagles knew they must combine everyone's individual talent into a team effort.

The 1984 eighth grade volleyball Eagles placed second in the Prairie Heights Tournament, and second in the NECC. They carried the eagle spirit as their volleyball soared over the net.

First row: A. Spangler, C. Carroll, S. Gay, A. Stout, C. Didrick. Second row: Coach C. Wilson, K. Hamilton, L. Johnson, A. Christlieb, J. Nelson, K. Wilder, K. Kuhn, S. Blue. NOT PICTURED: P. Lantz, D. Byall (Manager)

Coach Marvin Retcher stated, "The Junior High Cross Country team performed very well. With only six runners we did a good job in both dual meets and at the invitational." Ben Brown had the lowest time of the season when he ran the time of 11:19 at the conference meet.

The team practiced at Vistula Park. The slower runners ran with the high school girls and the best Junior High runners ran with the high school boys. Coach Retcher said, "It gave our better runners something to shoot for."

Eagle Policy Makers

School Board: Steve Foley (Pres.), Mario Church (Vice-Pres.), Jerry Lantz (Sec.), Katherine Duncan (Treas.), Roger Barry, David Boudia, George McNaughton, Ted Walter

Superintendent Barry Worl

The Fremont School Board is the controlling body entrusted with the total educational program for the Fremont schools. The members of this board are elected officials from the Fremont Community. They are responsible for setting school policies. They meet on a regular basis to discuss, develop, and approve what they feel reflects the desires of the community. They strive to achieve the best educational environment for the Fremont students.

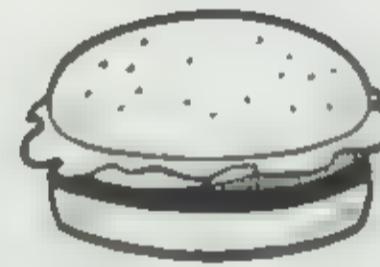

Superintendent Barry Worl makes the executive decisions that are needed for a challenging school curriculum. His caring attitude and professionalism is appreciated by all.

These are familiar faces that support with time and interest the true Eagle SPIRIT!

Secretaries

Secretaries—they are the ones that hold the school together. These ladies have numerous unseen responsibilities that carry all of us through an Eagle Spirit Day. They are constantly on call to answer questions for students, staff, faculty, administration, and the community. They keep records in computers, count money, make schedules, keep score at athletic events, assist in the cafeteria, and etc.

Eagle Spirit soars every time you meet one of them because of their cheerful, "Hello."

Cooks

Lunch time at Fremont School is the favorite time of the day for the students and staff. The cooks do more than just prepare the food; they also decorate the lunch area with appropriate seasonal themes. This year more choices were available as yogurt was added to our three lines of Salad Bar, Sandwich Bar, and the regular line.

Our cooks display the food in a colorful array, but more beautiful are their radiant smiles and caring attitude.

Bus Drivers

The sounds from the school buses signal the beginning and ending of the student's school day. The bus drivers must get them to school safely and in a good mental attitude for another day of learning. This task becomes even more strenuous as the driver must return them home safely. By the end of the day students are tired, but ironically bursting with energy to be home.

The driver's responsibility is tremendous. The normal classroom is small compared to the number of students the bus driver faithfully shuttles back and forth.

Eagle WINGS salute a unique group of people we call "Bus Drivers." We especially salute Mr. Robert (Arky) Vaughan who retired this year.

Front Row: Annabelle Forrester, Chet Faulkner, Kim Quick. Back Row: Mike McCarty, Jim Penyard, not pictured Barry Kolbou

Janitors

Our janitors make that all-important group that sets the stage for the students and teachers before any school day can begin. They are responsible for many things in and around the building: room temperature, furniture, restrooms, floors, removing snow, cutting and trimming grass, etc. They are here before the school day begins and still here long after it ends. They are on call here and there to clean everything, rearrange everything, and endlessly fix everything.

The school could not function without them. Their eager, helping hands and their broad mischievous grins are the WINGS that keep the Fremont SPIRIT glistening throughout the year.

High School Office

Soaring to the highest elevation in true Eagle fashion, while watching over the operation of Fremont High School are our office personnel. Each person serves in his or her unique way to provide the best service to the school.

We are thankful for these people headed by the top Eagle himself—Mr. Middleton. All faces featured here provide "smooth sailing" conditions for the total educational environment.

The Fremont Elementary School Office is the "hub" of activity. Someone is always running in and out or calling on the phone. Frequently rushing in and out are teachers with daily reports, questions, messages, and material to be copied on the machine. Students enter for all kinds of reasons: questions, messages, phone usage and a friendly visit.

Secretary Virginia Michael directs the traffic flow as she efficiently gives the needed information. She continues to smile, treating everyone who enters as if they are the most important person in the world.

Principal Ben Roederer is kept busy as he directs his teaching staff, students, and other personnel in a total enriching school environment.

Assistant Principal Mayo Sanders, in addition to his other administrative duties, oversees the head start programs.

The Elementary School Office is the beginning educational WINGS to the Fremont SPIRIT.
